

NEW GRADUATE PROGRAM

Who are we?

Established in 2016 and now with a network of clinics spanning across Australia, Total Physio Group is becoming one of the largest Allied Health providers in the country. We pride ourselves on being a collective of allied health practitioners who value supportive connections and strong relationships with our clients.

At TPG, we want to transform the health industry. Our success is measured with every individual, family and business that we serve. As a group, we're able to draw from a range of clinical specialties and ultimately deliver remarkable results.

What our new Graduate Program Offers

This is one of the best new grad physiotherapy programs covering everything and anything you require to assist you from a graduate to an experienced physio fast tracking you to success

- 3 day orientation program when you commence
- Over 150 CPD hours in your first year
- Buddy System
- CPD Allowance for External Courses
- Career Progression Pathway
- Amazing Mentorship program personally from our experienced Senior Physios with a 1:1 program
- Fast track your career to become an experienced physio within the private practice sector.

Locations

We have positions available Australia wide based in the following locations:

- **QLD** - Mount Isa, Rockhampton, Mackay, Bundaberg, Maryborough.
- **VIC** - Shepparton
- **NSW** - Goulburn, Kincumber
- **WA** - Bunbury, Albany, Kalgoorlie, Port Hedland, Karratha
- **NT** - Alice Springs

The opportunity

Total Physio Group is looking for passionate physiotherapy graduates to join our practices across Australia. You will be responsible for delivering holistic, client-centred services, assessing and treating clients to help them safely return to their pre-injury activities.

All successful graduates will be supported, mentored and provided with on-going professional development opportunities. This will include a comprehensive onboarding program with a team of 10 new graduates Australia wide designed to equip you with the tools you need to excel.

NEW GRADUATE PROGRAM

Your responsibilities

- Independently manage clients (assessment, diagnosis, planning and treatment)
- Communicating with any relevant parties including GP's, specialists, insurance companies
- Participating in activities to attract and retain our valued clients
- Assisting with activities such as community seminars, regular staff in-services and practice-based non-clinical activities

Skills and experience required

- Relevant tertiary qualifications
- Passion for helping people of all ages and ethnicity
- Full AHPRA registration or pending
- Demonstrated initiative in prioritising your workload
- Excellent time management and problem-solving skills
- Strong communication skills, both verbal and written

What we offer

This is an exciting opportunity to join a growing network of private practices with a genuine focus on professional development and client wellbeing. You will receive ongoing support and be able to liaise with colleagues that have a breadth of knowledge and experience.

Other benefits include:

- Latest systems and technology to support you such as spinal decompression, shockwave treatment, reformer pilates and many more!
- Discounted Corporate Health Insurance

If you have the relevant skills and are interested in taking the next step in your career, we'd love to hear from you! To apply, please send a copy of your CV and Cover Letter stating which locations you would prefer. Experienced Physiotherapists are welcome to apply to be considered for other opportunities.

Please send your application to: phil@totalphysiogroup.com.au
