# Specialist Certificate in Palliative Care 2019

COURSE CODE GC-C002

[Course  
Information](#)

[Apply  
Now](#)

The 'Specialist Certificate in Palliative Care' is an ideal introduction to palliative and end of life care for health professionals. It provides a broad overview of the core concepts and practices of palliative care including practice standards, symptom management, bereavement care, support for carers and effective communication skills. This course is a formal award of the University of Melbourne comprising 25 points of training at Masters level, delivered as two standard 12.5 point subjects requiring 4 days of face to face teaching for each subject.

All students who wish to undertake studies in the Specialist Certificate in Palliative Care (Shepparton) may apply for a HPCC subsidy.

## Professional Development (Short Courses)

A number of the modules from the Specialist Certificate in Palliative Care are offered as individual professional development short courses. They will be particularly inviting to generalist health care professionals and/or those working in palliative care who want to update their skills but may not want to undertake formal postgraduate studies. Certificates of CPD hours will be provided.
