Satisfaction with student placement accommodation

#### Student comments:

*'I had a fantastic placement and would happily engage in a rural placement again. I hope to work in a rural or regional town in the future.'*

*'I had never imagined myself working in a rural area prior to this placement. This experience has definitely been mind-opening and I am now strongly considering broadening my scope on this.'*

*'Really enjoyed my experience, would not have any problem moving rurally for a while post-graduation!'*
